BACKPACK FOOD PROGRAM FOR KIDS:

Free weekend food for your child is available! HarvestHands is teaming up with the staff and teachers of Ruckel Middle School to offer a supply of nutritious meals and snacks for children over the weekends, free of charge. Bags are distributed by volunteers on Fridays for your child to enjoy over the weekend. If you believe your child could benefit from this program, we encourage you to sign them up by filling out the form below and returning to your child's teacher. Only one form is needed for all the children in your family, but include information for each child in the space below. This information is kept confidential. Once your child is signed up, they will receive bags of food each week until they leave the school or until you no longer wish to participate. We encourage you to take advantage of this program for your family and your children. If you have any questions or concerns, feel free to contact your school counselor, Laura Long. Thank you!
